

Faraday's Electromagnetic Lab

Play with a bar magnet and coils to learn about Faraday's law. Move a bar magnet near one or two coils to make a light bulb glow. View the magnetic field lines. A meter shows the direction and magnitude of the current. View the magnetic field lines or use a meter to show the direction and magnitude of the current. You can also play with electromagnets, generators and transformers! [à, à,™ à,² à," à,- à, † à', à, Ÿ à, ¥ à' ¤ 794 KB à,„ à, ¥ à, ' à, • à,„ à'^ à, °](#)
